Roman Imperial Bronze	RI
Satin Gold	S
Stream Bronze	ST
Squiggly Brass	SQ
Titanium	T
Waved Brass Natural	WN

Important notice: **Brown Copper** is a special version of a bronze color, featuring a texture that changes. **Brushed Brass Natural** and **Waved Brass Natural** are raw brass pieces that are hand-brushed. When touched, they develop textures created by burned-in fingerprints, including a natural aging process.

Care and maintenance: Please do not clean our products with aggressive cleaning agents or alcohol-based products. These can damage the exclusive finish and materials used. To maintain the quality and appearance, we recommend using only mild cleaning applications. Do not place any type of tape on the bronze finishes this can damage the varnish layer.

RAL COLOURS

CJC SYSTEMS

To complete your order code, add the code of your chosen finish to the product code. for example: CJC7001V
